

Company Name: Darall Homes Limited

Logo: To be sent

Company History & Founding Story:

The company was founded in 2022 with the purpose of reducing the housing deficit (currently estimated at 2.7 million units) in Lagos state. In 2022, our founder had to help his father rent out his three-bedroom apartment in Iponri, Surulere. It was however, alarming to see how many people were interested in a single apartment that was available for rent. This, coupled with subsequent research, revealed a shocking reality: housing supply was significantly lower than demand in Surulere and its environs, and across Lagos State as a whole.

That same year, Darall Homes Limited was registered and commenced operations.

Years in business: Registered and commenced business in 2022. Darall Homes has since then delivered three projects consisting of 32 residential apartments altogether.

Relevant Licenses, Certifications or Accreditation: ????

Approved "About Us" copy or key messaging points: Owning a home in Lagos shouldn't come with sleepless nights. That's why we started Darall Homes Limited in 2022. We decided to get involved in addressing the challenges faced by individuals seeking to purchase, lease, or rent apartments, helping them secure comfortable homes without compromising their budget. We are a Lagos-based real estate company that builds homes and structures people are proud of. Whether you want to own a residential apartment for yourself, a long lease, rental, a short let, or an investment property, we are here to make the process smooth.

Name: Oduniyi Omobolaji Abeeb

Title: MD/CEO

A short professional bio (2–4 sentences): Graduated as an engineer from the Lagos State University in 2008 and completed NYSC in 2009. He was in a paid employment with a technology company from 2010 & 2014 before coming out to pursue his dream of being an entrepreneur.

Since then, he has founded and built several companies across the agro-commodities export, real estate, haulage and logistics, and education sectors.

The company's official vision statement: To bridge Lagos state's housing deficit by building 1,000 quality apartments by 2035 and making homeownership simple, safe, and seamless.

The company's mission statement:

To provide affordable, modern housing through timely delivery, flexible payment plans, and superior construction standards, making homeownership accessible and achievable.

3–5 core values, each with a short description:

Our Core Values:

Integrity: We say what we do, and do what we say

Excellence: Quality at every stage

Innovation: Modern designs, flexible payments

Community: Building neighbourhoods, not just houses

Key business objectives for the next 1–3 years:

- To become well established and recognized as a real estate development company within the mainland with focus on Surulere & Yaba.
- Provide no fewer than 300 housing units to individuals seeking rental, long-term lease, or outright purchase options.
